The Read Across Jamaica Literacy Project seeks to encourage corporations, local businesses, and individuals to participate in the Read Across Jamaica Literacy Project as a sponsor helping to provide books, materials or financial resources to help increase literacy awareness. With your contribution, we can ultimately increase the number of literate students graduating from primary school (K-6) by 25%.

We are asking you to work together with us and broaden our commitment to literacy by giving back to the communities worldwide. Donate Books. Volunteer Your Time While on Vacation. Sponsor A School Event. More importantly, let us touch the lives of the children with the gift of literacy. Open the door to access with your contribution.
